CONSOLIDATED WIRE & CABLE

Manufactures Standard and Custom Electronic Wire, Molded Cable Assemblies and Wiring Harnesses.

Consolidated

ELECTRONIC WIRE & CABLE

CONSOLIDATED WIRE & CABLE for more than 90 years has served as a leading manufacturer of standard and custom electronic wire, cable, molded cable assemblies and wiring harnesses. Throughout the 1920s, Consolidated companies manufactured and provided cable wire, cable and radio accessories to the electrical and electronic distribution industry. This continued until 1940. With the onset of World War II. The company contributed to war efforts by supplying wire and cable needed for military communication purposes.
